THEY SAY:

"IT'S AN ILL WIND THAT BLOWS NOBODY  
ANY GOOD."

We hope this isn't our swan song, but it just might be. What with the pressure of time and progress, we must reduce the size of our gardens with close-out reductions of one-half off, and more, on most varieties, and at least one-third off on many rarities, AS LONG AS THEY LAST.

FIRST COME FIRST SERVED !

These are once-in-a-lifetime bargains that we are glad to pass along to you, our friends. Your orders will be filled with the same care and courtesy you have known in the past,

Lovers of tropical and Japanese effects will be interested in our daylily collections. But hurry! These bargains won't last too long.
